-
- Improve aesthetics

Task Assignments:

Task Description	Assigned to
Implement Contrast and Brightness settings	Ketan Verma
Add weather API	Hazem Salem
Improve aesthetics	Landon Delgado
Add nutritional and allergen information	Ayush Shah

Minutes from Previous Meeting

Get up to date on everyone's current progress

- Landon finished the backend for the inventory page and Google OAuth2 for the login page
- Hazem has finished the Translate accessibility feature.

Are there any roadblocks anyone has?

- Hazem has some exams coming up, so we can divide up the 2 remaining accessibility features.

What's our plan for this week?

- Finalize the MVP and get prepared for the final demo.
- Ensure the MVP works properly with all 3 accessibility features (If multiple are on, do they overlap well)
